

SUMMER READING

Dear Families,

Summer is approaching and reading is an excellent summertime activity! In an effort to send all students home with a bundle of good books for the summer, we are hosting a book drive.

Research has shown that reading four to five books over the summer months can help students maintain the reading skills they have gained during the school year. Having access to books is key to making summer reading happen.

Our book drive will help get books into students' hands this summer, and you can help by donating gently used books that your child has already read and would like to pass on to a fellow student.

Please send all books to room _____ by _____.

As always, your help is greatly appreciated.

Sincerely,
